We are pleased to present a charming 1-bedroom apartment in the High-Condamine area, near the open-air market and Port Hercules.

The apartment is located in a well-maintained Bourgeoise residence and offers marvelous views over the Condamine, port and the Prince's Palace.

The apartment is being completely renovated.

The apartment will consist of a living room with panoramic views, a bedroom, shower room, separate toilet, entry hall and an equipped and spacious kitchen.

The property benefits from very high ceilings (3.16 m) and double exposure, for optimal natural light.

Do not hesitate to contact us for more information.
